## Eksempel på utfylling av lege

5. Legg inn identifikatorer. **OBS HERID legges på to plasser:** Som rekvirentkode og se neste bilde

### 6. Legg også inn HERID her:

The screenshot shows a web application window titled "(Ny Bruker)". The main form contains fields for "Fornavn", "Etternavn", "Initialer", "Fødselsdato", "Personnummer (5 siffer)", "Aktiv" (checked), "D-nummer", "Endre passord" (checked), "Single sign-on", "Passord", "Gjenta nytt passord", and "Domene\brukernavn". Below the form are tabs for "Stillinger", "Telefon, epost og hjemmeside", and "Identifikatorer". The "Identifikatorer" tab is selected, showing a table with columns "Stilling" and "Identifikatorer". A red arrow points to a yellow highlighted row with "HER" in the "Stilling" column and "HER-ID" in the "Identifikatorer" column. On the right side of the window, there are buttons for "Rediger", "Ny bruker", and "Ny grøhet".
